1. Introduction

Welcome to Van Riebeeckshof. This document will assist you with general information about the area, and contact numbers in the case of queries.

2. What is the Van Riebeeckshof Master Home Owner's Association (VRMHOA)?

Van Riebeeckshof Master Home Owners Association (VRMHOA) was established under the Land Reform Act, and a Home Owners Association with a constitution was formed for the entire suburb of Van Riebeeckshof. The area was subdivided further into single residential plots and portions of land were zoned for smaller Home Owners Associations within the Master Home Owners Association.

Every person purchasing a property in the Van Riebeeckshof area automatically, without choice, becomes a member and is legally subject to the constitution of VRMHOA.

The main objective of the Master Home Owner's Association, with its rules and guidelines, is to create, maintain and protect for residents a high quality lifestyle. It may provide certain services where these services are not supplied by The City of Cape Town.

a. Trustees

The trustees act on behalf of the members (owners), and are bound by the Constitution of the Van Riebeeckshof Master Home Owners Association Constitution – a copy is available on the website www.vanriebeeckshof.co.za. Every year an Annual General Meeting is held, and at this meeting the trustees, nominated by members in Van Riebeeckshof, are elected.

The trustees, in turn, appoint a Managing Agent and various service providers to manage the area effectively. They also work closely with the Ward DA councillor, the Mayor of Cape Town and the SAPS representatives.

The current trustees are:

Trustee	Portfolio
Emil Scheepers	Chairman / Legal
Johnny Cozzi	Finance / Architecture
Marietjie van Rensburg	Environment
Coenie Le Grange	Environment
Erina Veldsman	Communication

Consultants	Portfolio
Freddie van Rensburg	Architecture
André van Blommenstein	Security

b. Levies

The current monthly levy structure is **R220** for single erven, and **R110** for units in gated communities. The levies are utilised for general improvements and maintenance, environmental projects, and additional security.

A 15% discount is offered to members who pay annual levies upfront – for the period 1 March to 28 February. The budget for the financial year is annually presented at the Annual General Meeting with the Financial Statements being audited by an independent auditor.

3. Building

Before an owner embarks on building alterations of any nature, please refer to the Estate Design Standards of VRMHOA for full clarification. If still in doubt, contact the managing agent for details. This will prevent costly mistakes.

The VRMHOA requests owners to inform the trustees or the managing agent of illegal dumping of building rubble or rubbish on any public open space, pavement or open erf. Action can then be taken.

a. Open erven

Stands need to be cleared twice a year – April and October.

The HOA will offer the service to owners, if they cannot arrange it themselves. The current fee structure is:

- Large erf (larger than 1 000 square meters): R5 350
- Small erf (smaller than 1 000 square meters): R2 150

Please note these rates are subject to change

4. Communication

a. Owner's Contact Details

The trustees and managing agent need to communicate with residents regularly with relevant and important information. Please update all your contact details with the Managing Agent as soon as possible. We need the following:

- Name
- Address, and/or Postal address
- Erf number
- E-mail address (our primary method of contact)
- Telephone numbers

b. Website

The website is a central point for information and communication. Please visit our website www.vanriebeeckshof.co.za

6. Environment

a. Vagrants

Vagrants are a major problem in the entire Valley, due to the large proportion of open public areas and parks. The VRMHOA has identified a few key reasons for vagrants in the area:

- Refuse bins on pavements before collection: Please leave refuse bins outside for the shortest period of time possible to discourage vagrants. Refuse collection happens on a Monday and recyclables on a Tuesday.
- Feeding homeless people: Please do NOT leave food on refuse bins, or feed vagrants in any way. This stance is endorsed by the City of Cape Town as it keeps the unfortunate in a cycle of dependence and promotes vagrancy. If residents want to help the less fortunate, contact your local church for donation options.
- Casual Labour: Vagrants are encouraged to stay in the area if residents give them odd jobs.
 This is also a security concern. If you need casual labour, contact the Labour Exchange, behind the Durbanville taxi rank, tel: 082 7269 750.

b. Maintenance

The Garden Landscape Company is currently our landscaping and maintenance service provider, tasked to remove rubbish, weeds, and execute ad hoc requests from the VRMHOA.

c. Renosterveld

The Renosterveld above Chianti Villas, bordering the public open space, is on the critically endangered list. The VRMHOA has erected a board opposite the circle in Middelvlei Road to provide information about the uniqueness of this fast-disappearing piece of flora.

d. The Wetlands Project

The area, which is fenced in, and at the entrance to Van Riebeeckshof, is based on a Memorandum of Understanding between the committee for the project and the City of Cape Town. The fence is electrified, and is powered by the electricity supply of the Oude Westhof Retirement Village. This serves to keep the area relatively immune from vagrants. The long term plan is for the Parks Board to remove all the alien vegetation that has invaded the area, and introduce small game.

e. 'Die Vallei komitee'

The 'Vallei Komitee' was formed in March 2008 and became a fully-fledged and registered Non-Profit Organisation with representation on the Ward 70 Forum. The committee represents the total area in the Van Riebeeckshof Valley. The function of the committee is to improve the area. It also intends to create awareness in our community through communication and interaction with all the community based organisations, the adjacent farms, and the City Council. In addition, it provides input for the optimal security for the entire area and the upgrading of the area.

7. The Management Agent

The VRMHOA has appointed a Managing Agent to do the day to day work on its behalf.

a. The Role and Function

- Keep and update owners' contact details
- Invoice owners and collect levies
- Occasional communication with invoices
- Attends trustee meetings and Annual General meetings and keep minutes thereof
- Payment of service providers
- Issue clearance certificates for property sales in the area
- Execute instructions from trustees
- Handling queries from owners on an ad hoc basis
- Approval of building/alteration plans prior to submission to the council for approval
- Collection of building deposits

b. Nolands Incorporated

The company Nolands Incorporated was appointed as Managing Agent in March 2011 – their website address is www.nolandstyg.co.za

Contact person: Anel van Wyk
Tel: (021) 943 4340
Fax: (021) 914 8242

E-mail: anelw@nolandstyg.co.za

8. Security

Every home owner is responsible for his/her own security.

a. ADT

Over and above individual security measures, ADT is contracted to Van Riebeeckshof to patrol the entire area 24 hours a day. Their role is to provide visible security monitoring, give pro-active reports to the trustees, and offer all residents services, like 'meet and greet', and respond to suspicious behaviour or distress calls.

ADT can only enter home owner's premises if a home owner has a contract with them. In the case of an emergency the homeowner might want ADT to enter and assist, even though the home owner has a contract with another security company. To activate this service, contact ADT to create a zero billing contract. Contact Patrick Hall (Senior Community Safety & Liaison) on 083 676 5693 or patrickh@adt.co.za.

The trustees also negotiated with ADT for a reduced fee for new ADT clients in the area. The new client must contact ADT (Patrick Hall) in this regard.

We would like to encourage each one of you to contribute to make Van Riebeeckshof safer and better for all of us!

Thank you Van Riebeeckshof Trustees
